Hello, my name is Andrii, I am 17 years old and I am a first year Saxion student.
I really enjoy football. It is my favorite sport to watch and to play with friends.

Why I Like Football

I like the speed of the game, the teamwork and the feeling when a good attack leads to a goal. It is also a fun way to stay fit.

My Favorite Club

I support FC Barcelona. I like their attacking style, their history and many of the players who have played there.
